

# Goodwin Hounds Fall Hunter Pace and Trail Ride

Held at Scotsgrove Stables

Sunday, November 22<sup>nd</sup>, 2020

Submitted by Missy Bright & Leslie Scott

Scotsgrove Stable hit a landmark record with 181 riders participating in the Goodwin Hounds Fall Hunter Pace and Trail Ride! What a wonderful turnout to come and support the Goodwin Hounds Thanksgiving Hunter Pace and Trail Ride! Never have there been rigs parked in all three pastures as well as the arena! Rigs were met at the gate, where in-vehicle registration was conducted by Cyndi Milligan and Wes Moore and numbers were handed out. The lanyard number served as the meal ticket for riders as well. Randy Autrey, Melvin Cox, and Tot Goodwin guided rigs to the appropriate parking areas.

Co-chairs for this event were Kat Dooley and Leslie Scott. Leslie and Bob[posthumously] were in charge of the administrative duties and setting the route. The timer was Joey Cabaniss who always greets riders with some humor and telling them, "we'll leave the light on for you". Joey's trustworthy assistants were Marc James and Cyndi Milligan who gave the ribbon colors to follow outbound and inbound.

Riders were met at the Check Point by Ryleigh Budde, Heather Daniel, Amanda Fisher, and Holli Halderman. There for the mandatory stop, riders were offered Apple Juice, water, or an absolutely divine Chocolate Wine to quench the thirst.

Goodwin Hounds put on a feast for riders. Compliments to top chef Jimmy Williford and turkey carver, Wes Moore. The food table was set up by Clyde and Terry Cater and Carolyn Groves. The volunteers who supplied all of the food were Missy Bright, Kat Dooley, Colleen Goodwin, Carolyn and Jim Groves, Christie Hendrix, Lucy Hooper, Ronnie Mann, Kathy Nebel, Emmie and Phillip Osbourne, Deb Schmitz, and Jana Sloan. What a feast it was with Turkey and all of the sides plus decadent pecan, apple, and pumpkin pies for dessert.

The trails were very nicely marked and there were no heavy-duty water obstacles to worry about. Leslie Scott placed additional directional ribbons on the trail by the light of the moon. The 8.6-mile trail ride took riders through woods, fields, old orchards and a pine plantation, with some cross-country jumps. There were several road crossings along with the two-way crossing of the bridge. There were views of the ponds still filled with lily pads still in bloom. And as always, the kudzu field is always a joy to hand gallop up! Again, the trails were nicely marked and took riders through different serpentines through the Pine Forest.

There were 83 riders in 37 teams in the Field Hunter Division. The Optimum Time was one hour, 23 minutes, 49 seconds. The time was set by Leslie Scott who finished her ride by the light of the moon. What a trooper!

The Mini Pace is for anyone who wishes to have a shorter, low stress ride. This helps newer riders and horses become accustomed to Hunter Pace riding or for those older riders and horses who just want to take it easy. Either way, it's fun

Next up for the Western Carolina Hunter Place is the Windridge Farms Winter Hunter Pace and Trail Ride on Sunday, December 6th, 2020. Check the WCHPace web site for the Registration Form. Registration will be truck side as you enter camp. This worked very nicely at the Windridge Fall Hunter Pace. Please download the Registration Forms from the Western Carolina Hunter Pace website for this specific event and slap a return address label on it including your emergency contact and email to insure you can be contacted. Some forms don't have a spot for an address but go ahead and write it somewhere on the form or use the aforementioned label! Included on the registration form is the meal menu sheet. Fill that form out and turn in with your registration form for their tasty lunch after your ride.

Please have your mask available when registering and picking up lunch bags. This is how the Hunter Pace Series is able to safely run.

Check the website at [www.wchpace.org](http://www.wchpace.org) for upcoming events, changes, and to view your photos taken by Photographer Lou Smith. With the weather being so unpredictable here of late, rain dates are in place in case of a postponement.

See you on the trails!
